Saturday May 12th	T.B.A.	T.B.A.

Away Meets

We will post a list of those going to each away meet at least one day before the meet date. This list will be posted outside each of the coach's classrooms. Most meets tend to last anywhere from three to four hours. The conference meet tends to last longer due to the number of teams competing. The Saturday meets last around four to six hours. The students should go home with their parents if they are at the meet, however if parents are not attending the meet, students can be picked up from Old Quarry when we return. Students will have access to a phone to call home for a ride home.

What all members need to bring to a meet:

- ◆ Warm Clothes – Coats, hats, mittens, sweats, etc. Under the uniform, athletes may wear long sleeve shirts and running tights. Many meets end near dusk and the temperatures can get quite low.
- ◆ Food – Juice, water, apples, oranges, sandwiches, and other nutritious snacks.

Please remember that you are representing your coaches, your school and the town of Lemont. Proper behavior should be displayed at all times.
