Curriculum Review Cycle

**Suspended in 2009-2010
per state financial plan**

2005-2006	2006-2007	2007-2008	2008-2009	2009-2010	2010-2011
Mathematics	Fine Arts, Technology, Physical Education, Exploratories	Social Studies	Language Arts: Reading	Language Arts: Reading/Writing	Science/Health
	Textbook Adoption Software/Materials Acquisition  <i>(Math Texts 5-8)</i>	Textbook Adoption Software/Materials Acquisition	Textbook Adoption Software/Materials Acquisition  <i>(Social Studies K-6)</i>	Textbook Adoption Software/Materials Acquisition  <i>(Reading 7-8)</i>	Textbook Adoption Software/Materials Acquisition  <i>(Reading K-6)</i>

The cycle will continue with a full-scale review of at least one curricular area per year according to the following sequence. During the years between complete reviews, curricula will be evaluated and revised as recommended by the instructional team. For budget planning purposes, it can be expected that the review of curriculum in a given year will result in the recommendation to adopt new textbooks and/or software and materials for the following budget year.
