[Lemont, IL]

The Lemont-Bromberek CSD 113A Board of Education is conducting a search for a new superintendent. The selection of a new superintendent is the most important decision a board of education has to make; therefore, the Board has hired the Illinois Association of School Boards (IASB) to assist in this process.

The Board of Education is seeking board, staff and community input in the search process. The Board requests that each person complete a hard copy survey provided by the IASB. The results will be tallied and used by the Board and Screening Team to develop a brochure to advertise the position.

A hard copy of the survey will be available for pick-up at the District 113A office located at 16100 127th Street, Lemont. It will be available until Thursday, December 22nd, 2011. Instructions for returning the survey will also be available when you pick up the survey. It will need to be returned via US Mail and postmarked no later than December 31, 2011.

Thank you for taking time to complete the survey.
