Re: Illinois Freedom of Information Act Request

Dear Mr. Bob Beckwith:

This is a request for information under the Illinois Freedom of Information Act, 5 ILCS 140.

I request that a copy of the following documents be provided:

A copy of all correspondence between the business manager for district 113a and the superintendent for district 113. From June 2009 to present.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the school district and is not primarily in my commercial interest.

If the contracts are in an electronic format please provide them to me via e-mail to avoid any costs incurred.

I look forward to hearing from you in writing within five working days, as required by the Freedom of Information Act 5 ILCS 140(3).

Sincerely,

Laura Reigle

RESPONSE TO REQUEST PERMITTING RECORDS INSPECTION

January 19, 2010

Ms. Laura Reigle
11 S 236 Carpenter Street
Lemont, IL. 60439

Ms. Laura Reigle:

As per your request received on January 14, 2010 for a copy of all correspondence between the Business Manager and the Superintendent from June, 2009 to present, I would ask you to contact me so that we may confer on ways to narrow the scope of your request due to the large volume of information requested Pursuant to Section 3(g) of the Freedom of Information Act.

To this end I will require an additional five (5) working days to respond to this request so that we will have an opportunity to confer and attempt to narrow the request to manageable proportions.

As it stands, this request calls for all records falling within a category for a significant period of time, and as it stands, we would deny the request as unduly burdensome under Section 3(g) of the Act.

Please contact me at your earliest convenience to discuss your request.
