Lemont-Bromberek Combined School District 113A

Wellness Committee Meeting

Minutes for May 10, 2010

Committee Members Present:	Chris Balaty	Kathy DeMari	Jeanne Duffy	Melanie Earnest
	Mary Gricus	Mary Hately	Joanne Mitchell	Bev O'Rozco
	Michelle Rakoczy	Gina Rodewald	Teresa Wise	Lisa Wright

Meeting began at 4:05 p.m. in the River Valley 4th Grade Pod.

A. **Survey Data about District 113A's Approved Food Lists (continued from previous meeting)**
Committee members reported to the whole group about items that parents and staff suggested as additions to the approved food lists. Members conducted research with the manufacturers to determine if the items met the requirements for allergy-free production. Results of the research were discussed and several food items were tentatively added to the food lists for snacks and celebrations. Committee members reached consensus that the approved food lists would remain status quo for at least the beginning of the 2010-2011 school year until the administration and board receives and analyzes the impact of the new food allergy policies from ISBE.

B. **Data from Student Survey about Food Service**
Committee member Lisa Wright shared the results of the student survey about the food service program that she conducted with District 113A students. Lisa noted that the results will be shared with Teresa Wise from Chartwells so that the student data can be considered in planning menus for the future.

C. **Other**
Dr. Gricus reminded committee members that the ISBE has announced that it will disseminate policies and procedures related to the new food allergy mandate over the summer. The Board and administration will review the materials and establish a timeline for addressing the new requirements; information will be shared with the Wellness Committee as it becomes available.

Dr. Gricus noted that the summary results from the staff and parent surveys about the approved food lists would be posted on the district's website by the opening of the 2010-2011 school year.

Meeting ended at 5:25 p.m.
