

OPEN REGISTRATION FOR LEARNING FRIENDS BLENDED PRESCHOOL PROGRAM

Lemont-Bromberek CSD 113A is pleased to announce the opening of a blended early childhood program at Oakwood School for residents of the district. We believe that inclusive education prepares all children for a future as global citizens. The Learning Friends Preschool, is a five-day-per-week, half-day program that was created to help all students develop together as learners. The program will focus on skills in the areas of communication, social-emotional, and motor skills, as well as pre-readiness in literacy and numeracy.

The three ways to access this program are:

1. Tuition students will be accepted on a first come, first served basis; if necessary, a waiting list will be created.
2. Placement in this program for students who are already receiving special education services under an Individual Education Plan in an early childhood program will be determined by the IEP team.
3. Students who meet at-risk criteria and do not qualify for an IEP will be accepted according to need.

Parents of prospective tuition-based students are invited to complete the Pre-Registration Form for the 2016-2017 school year. This form should be returned to Oakwood School 1130 Kim Place, Lemont, 60439 by May 1, 2016. Once all pre-registration forms are collected and reviewed, if your child is selected as a tuition-based student in Learning Friends Preschool, a confirmation letter will be sent. The letter will include information on the enrollment process to be completed by June 30, 2016; this will include providing proof of residency and a registration fee of \$35.00.

Tuition Based Students: Selected children will need to be residents of Lemont-Bromberek CSD 113A, be between three and five years of age, and be toilet trained.
