

Lemont-Bromberek Combined School District 113A e-Learning FAQ

Q: How will I know if it is an e-Learning day?

A: e-Learning days will be called in the same way an emergency day has been called in the past. Depending on the circumstances, it may be called as either a traditional school closing day (to be made up at the end of the year) or an e-Learning day.

Q: What does an e-Learning day mean?

A: Public Act 101-0012 allows school districts statewide to utilize e-Learning days in lieu of emergency days and maintains flexibility for students to engage in career-connected learning outside of the classroom. It is important to emphasize that the 'e' in an e-Learning Day represents 'engagement' more so than 'electronic' given the guidance around building a definition of 'an instructional day' and to establish clear expectations around 'student attendance'.

Q: What grades will participate in e-Learning?

A: All students in grades EC through 8 will participate in e-Learning. Students will have the option to engage in e-Learning assignments via online modules or printed materials.

Q: How does my child find out about the assignments or activities for e-Learning Day?

A: SD113A students and parents will receive the e-Learning assignments in a district-wide e-mail that will be sent at 8:30 a.m. The e-mail will include information on how to take attendance, where to find technical support, and how to access the e-Learning modules. Additionally, paper copies of information regarding e-Learning days and assignments will be sent home via hard copy to all SD113A students.

Q: How much time does my child need to spend in order to get credit for the e-Learning Day?

A: Teachers have developed e-Learning day modules and lessons that are aligned to the current curricular scope and sequence that will take approximately 5 hours for students in first through eighth grade and 2.5 hours for students in Early Childhood through Kindergarten.

Q: What is the schedule for the e-Learning day?

A: All three schools will run on the following schedule.

8:00 a.m. - 8:30 a.m. Teachers engage in planning and preparation for e-Learning day.

8:30 a.m. e-Learning modules and e-Learning references/links are e-mailed to families

8:30 a.m. - 1:30 p.m. Teacher and Student Interaction

- 5-hour block of student engagement, instruction, supervision, monitoring, and support

1:30 p.m. - 2:00 p.m. Teacher Duty-Free Lunch

2:00 p.m. - 3:30 p.m. Teacher Planning and Preparation

- Verification and assessment of student work/engagement
- Planning and preparation

9:00 p.m. e-Learning modules close

Q: When are teachers available to interact with students and answer questions?

A: Teachers will be available from 8:30 a.m. to 1:30 p.m. Teachers can be reached via e-mail, Google Classroom, SeeSaw, etc.

Q: What if my child had specials scheduled for the day?

A: Students should select the e-Learning module(s) (Art, Music, PE, etc.) based on their current scheduled special/encore rotation.

Q: How does an e-Learning Day impact students with IEPs/504 plans and/or EL Services?

A: For students with IEPs and 504 plans, the accommodations built into those plans will apply to e-Learning assignments. Alternative assignments may be substituted related to IEP goals. Students who have direct related services will engage in an activity provided by the related service personnel (OT, PT, Speech, etc) on an e-Learning Day.

For students that receive EL services, the EL teacher will be available for support. Modules will have appropriate accommodations based on a student's English Proficiency.

Q: What is the due date of the e-Learning modules?

A: We expect students to engage in e-Learning modules starting at 8:30 a.m. However, we realize that a number of variables may prevent students from completing work continuously throughout the day. Any assignment that is expected to be turned in on the same day can be submitted until 9:00 p.m. Students that complete the print version of the e-Learning modules will be expected to bring in the completed assignments the next school day.

Q: What if my child is absent on an e-Learning day?

A: Follow the regular absence protocol and leave a message at your child's school to report the absence (630)257-2286.

Q: What if I need technical assistance?

A: Complete the following form by clicking this [link](#) between 8:30 a.m. - 3:30 p.m. This form is being monitored by technology assistants in the district during this time.

If you cannot access the digital form, contact the tech department answering service at ---

If for some reason, tech support cannot resolve your issue, students will be guided to follow the alternate plan, using hard copy and print materials. Additionally, a log will be shared with classroom teachers to indicate technical assistance requests.

Q: What if my wifi doesn't work or I don't have access to wifi?

A: There will be alternate plans for students to complete their assignments without wifi-access. The Public Library offers free wifi for patrons, as well as, a variety of public businesses, restaurants, and coffee shops within the Lemont community.
