

2024 Winter LEARNING CHALLENGE

Welcome to the 2024 Winter Learning Challenge!

Challenge yourself to read or learn every day between January 1 - February 29 for your chance to win prizes. For every 5 days of reading or learning logged, earn a virtual raffle ticket to enter into one of our grand prize drawings. You can also earn a virtual raffle ticket for every activity your complete. This year we are also setting a community goal of 250 participants. If our goal is reached, several of the library staff will dye their hair in the color of your choosing!
